Hello All,

Further to the attached Garbage Notice, people are not breaking down items prior to putting them in the garbage chute. The garbage chute has been jammed 3 times now with oversized items being stuffed in the chute (see attached picture).

Please be courteous to all other residents and break down items prior to placing them in the chute.

Further, cardboard boxes should not be placed in the garbage chute, all recyclable items must be placed in the recycling bins provided.

Thank you for your cooperation in this matter.

Stay warm!
