Good Morning Residents,

Please ensure that you are doing your part in keeping the common areas clean.

Janitorial services are booked twice a week, but the **residents do have a part to play to ensure the buildings remain in tip top shape.**

Over the weekend several TV boxes and bags of garbage were left outside the building by the garbage enclosures and trash ended up all over the courtyard, dairy queen ice cream cones dropped and left in elevator car of 8505 and a full bottle of red mountain dew spilt all over the elevator car of building 8445 are just a few examples over the last 48hours.

Please respect the common areas such as the hallways, lobbies, elevators and garbage rooms as you would your own home.

Should you have any issue accessing the garbage rooms please let us know.

Thank you for your assistance in this matter.
