Dear Residents,

Please note that the Alarm Strobes and Silence buttons in your units are not to be removed for any reason what so ever.

Over the past week there has been 5 different alarms triggered which causes the Monitoring Company to send out a service tech out to review.

These service trip charges cost \$225.00 per event.

Should you remove these strobes the above noted charge will be forwarded to offenders for payment.

Please NOTE all strobes and silence buttons are tethered to a specific unit address, so it is very easily determinable who the offenders are.

Thank you for your cooperation.
